Corporate fundamentals

➤ **Mabion does not form a capital group**

➤ **The share capital of the Company is divided into 16,161,826 shares with a nominal value of PLN 0.10 each, including:**

450,000 A series registered preference shares,
450,000 B series registered preference shares,
450,000 C series registered preference shares,
450,000 D series ordinary bearer shares,
100,000 E series registered preference shares,
100,000 F series registered preference shares,
20,000 G series registered preference shares,
2,980,000 H series ordinary bearer shares,
1,900,000 I series ordinary bearer shares,
2,600,000 J series ordinary bearer shares,
790,000 K series ordinary bearer shares,
510,000 L series ordinary bearer shares,
360,000 M series ordinary bearer shares,
340,000 N series ordinary bearer shares,
300,000 O series ordinary bearer shares,
1,920,772 P series ordinary bearer shares,
10,500 S series ordinary bearer shares,
2,430,554 U series ordinary bearer shares.

➤ The registered shares of A, B, C, E, F and G series are preference shares to the extent that each such share entitles to two votes at the General Meeting. The total number of votes resulting from all issued shares of the Company is 17,731,826.

➤ **Dividend policy**

The Company has not paid dividends in the period of previous 5 financial years. The Management Board aligns the dividend policy with the Company's current economic and business condition, taking into account the extent of necessary investments. At present, the Company is at a stage of development and it seems advisable to retain any profit within the Company.
